The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

It is therefore requested that their friends do not give them any money except on joining, or on their return from the Vacations, and then the amount must not exceed 10*l.* *Infringements of this Regulation are so injurious that they cannot be overlooked.*

9. It is particularly requested that the Cadets bring their Linen clean, and Clothes and Boots in good order, when they join the ship, and also when they return from leave, and that the outfit, as required, be complete.

10. Cadets are not permitted to open an account with Tradesmen, unless by special sanction of the Commanding

Officer. Parents and Guardians are therefore requested to pay no bills that have not his approval.

11. Should there have been any infectious disease in a house where Cadets have been staying during their holiday notice of the circumstance is to be given to the Commanding Officer of H.M.S. "Britannia"; and they are not to be admitted until they have received a communication from him to that effect.

12. All letters relative to the Cadets should be addressed as follows:—"The Commanding Officer, H.M.S. 'Britannia' Dartmouth."

13. All old Cadets bring valuable Gold Watches or Clocks with them to the Training Ship, they will be taken from them and placed in security, until they return to their homes. Silver Watches will be allowed to be used.

9. Engineer Students will remain for Six Years at the Dockyards for practical training in the Factory Workshops, and to receive instruction in Iron Shipbuilding. They will also attend the Dockyard schools for such periods, and to pursue such studies as may from time to time be determined on: they will also pass a portion of their time in the Drawing Office. Means will be afforded them of acquiring the groundwork of the knowledge required by a Naval Engineer respecting the working of Marine Engines and Pumps, including those repairs which can be carried out afloat, the practical use of the various Instruments used in the Engine-room, including the Indicator, and of becoming generally acquainted with the duties of a Naval Engineer.

The Examination of the Sixth-Year Students will include tests of their skill as workmen, and those found qualified will, on the completion of their term of service at the Dockyards, proceed to the Royal Naval College at Greenwich as Acting Second Class Assistant Engineers, on the 1st October succeeding the Examination, where they will pass through a course of higher instruction during one term.

11. Those Engineer Students who fail to pass the Examination at the end of their Six Years' service will be allowed to remain one year longer at the Dockyards, and will then be re-examined, when, if they are unable to pass, they will cease to be eligible for the rank of Naval Engineer. 15. Four Acting Second Class Assistant Engineers will be selected from those who take the highest place at the Examination on the completion of their term at Greenwich, to pass through a further course of scientific instruction if they desire it. These four will be examined at the end of the second term, and no more will, at the discretion of the Admiralty, be allowed to remain a third term at Greenwich, on the completion of which they will be sent to Sea as Assistant Engineers, and after one year's service at Sea, they will be considered eligible to fill positions in the Dockyards and at the Admiralty.

16. Those passing the Second and Third Term at Greenwich will be attached during the vacations between the 30th June and 1st October, to the Dockyards or Steam Reserves, where they will attend trials of new and repaired Engines, and obtain experience respecting the duties they will have to perform at Sea.

20. The Acting Second Class Assistant Engineers during their term of study at Greenwich will be lodged, and will receive 1*s.* 6*d.* a day towards their mess expenses, and in addition they will receive pay at the rate of 3*s.* 6*d.* a day. Those selected for further study during one or more terms will receive pay at the rate of 8*s.* a day, and 1*s.* 6*d.* a day towards their mess expenses.

21. N.B. The above regulations will be generally followed, but their Lordships reserve to themselves the right to modify them from time to time as they may consider desirable.

22. The Regulations contained in Art. 84, page 29, of the *Admiralty's "Queen's Regulations and Admiralty Instructions"* and the Printed Regulations issued to the Dockyards on this subject, dated 21st March, 1871, are hereby cancelled.

Temporary Provisions.

23. At the Examination which will be held in June, 1873, Candidates will be admitted who are between Fourteen and Sixteen years of age on the first day of the Examination.

24. When the Engineer Students already in the Service are qualified for and promoted to the rank of Acting Second Class Assistant Engineer they will receive full pay during their course of study, whether at Greenwich or at the Dockyards, viz., 6*s.* a day, and 1*s.* 6*d.* a day towards the mess.

25. The Engineer Students who would, under the present Regulations, return to South Kensington on the 1st October, 1873, will proceed to Greenwich on that date, to complete their course of study. They will be lodged while at Greenwich, and will receive 1*s.* 6*d.* a day towards the mess. They will also receive pay as follows:—

Those who are in their 4th year, since their entry in the Dockyards, 24*s.* 6*d.* a week.

Those who are in their 5th year, since their entry in the Dockyards, 26*s.* 6*d.* a week.

Those who are in their 6th year, since their entry in the Dockyards, 34*s.* 6*d.* a week.

When at their own Dockyards during the vacation, they will receive their pay as above, but not the messing allowance. When at other Dockyards, the messing allowance will be granted. When they have completed six years' service from their original entry, and have passed the necessary examination, they will become Acting Second Class Assistant Engineers, and will receive the full pay of their rank, viz., 6*s.* a day, and 1*s.* 6*d.* a day towards the mess.

26. Engineer Students who may have completed their time at the Dockyards in July 1873, and who are found qualified, will be admitted to the Naval College at Greenwich on the 1st October, 1873, under the regulations contained in Circular No. 80 of the 30th January last. Those whose time will be completed at the Dockyards in January 1874, may, if they desire it, come up for examination in July 1873, and, if found qualified, will join at Greenwich on the 1st October following; those not qualified will remain at the Dockyards until July 1874. ROYAL NAVAL COLLEGE, GREENWICH.

CIRCULAR No. 8.—C.

Admiralty, 30th January, 1873.

Her Majesty by Her Order in Council, dated 16th January 1873, having sanctioned the founding of a Royal Naval College at Greenwich, my Lords have determined to open the College on the 1st of February next, at which date the education of the Gunnery Lieutenants and the Sub-Lieutenants will commence. The arrangements for the courses of study will not be complete till the beginning of the ensuing term on the 1st October, but special measures have been made to prevent any interruption or attachment in the studies of any Class of Students who will hereafter be admitted to the College.

The College, subject to the subjoined Regulations, will receive Officers of the following ranks:—

- 1. Captains and Commanders.
 - 2. Lieutenants.
 - 3. Navigating Officers.
 - 4. Naval Instructors.
 - 5. Acting Sub-Lieutenants and Acting Navigating Sub-Lieutenants.
 - 6. Officers Royal Marine Artillery.
 - 7. Royal Marine Light Infantry.
 - 8. Officers of the Engineer Branch, viz.:—
 Chief Engineers.
 Engineers.
 In Class Assistant Engineers.
 Acting 2nd Class Assistant Engineers.
- A limited number of Dockyard Apprentices will be specially selected by competitive examination, for admission to the College.

A course of instruction at the College will also be open to a limited number of—

- 1. Private Students of—
 Naval Architecture or Marine Engineering.
 - 2. Officers of the Mercantile Marine.
- It is intended to provide at Greenwich for the education of the Naval Cadets.

My Lords intend that the Royal Naval College at Greenwich shall be so organised as to provide for the education of Naval Officers of all ranks above that of Midshipman, in the branches of theoretical and scientific study bearing on their profession; but my Lords will continue the measures given in the 'Excellent' Gunnership as a nucleus, and arrangements for instruction in practical engineering will also be continued at Portsmouth.

My Lords desire, by the establishment of the College, to give to the executive Officers of the Navy generally, every possible advantage in respect of scientific education; but no arrangements will be made at all prejudicing the all-important practical training in the active duties of their profession.

The object of securing, in the interest of the Naval Service, the highest possible scientific instruction is, in the opinion of my Lords, most effectually to be attained by bringing together in one establishment all the necessary means for the higher education of Naval Officers and of men connected with the Navy.

The number of Students at the College will render it not only to carry out instruction by individual tuition, but to secure a staff of eminent practical and physical laboratories, on a scale which has never been possible in any naval establishment.

Complete courses of study suitable for the different classes of students admitted will be organised, and will be carried out by professors, lecturers, and instructors. Officers and others admitted as Students will have the advantage of these courses of study, whether they reside or not at the College, and others who may not become students under certain regulations, have free access to separate courses of lectures, the benefit of which it is desired, to extend as far as possible.

The following are the proposed courses of study.

Subjects.

1. Pure Mathematics, including Co-Ordinate and Higher Pure Geometry, Differential and Integral Calculus, Finite Differences, and the Calculus of Variations.
2. Applied Mathematics, viz.: Kinematics, Mechanics, Optics, and the Theories of Sound, Light, Heat, Electricity, and Magnetism.
3. Applied Mechanics, including the Theory of Structures, the Principles of Mechanism, and the Theory of Machines.
4. Nautical Astronomy, Surveying, Hydrography, with Maritime Geography, Meteorology, and Chart Drawing.
5. Experimental Sciences:—
 a. Physics, viz.: Sound, Heat, Light, Electricity, and Magnetism.
 b. Chemistry.
 c. Metallurgy.
6. Marine Engineering in all its branches.
7. Naval Architecture in all its branches.
8. Fortification, Military Drawing, and Naval Artillery.
9. International and Maritime Law; Law of Evidence and Naval Courts Martial.
10. Naval History and Tactics, including Naval Signals and Steam Evolutions.
11. Modern Languages.
12. Drawing.
13. Hygiene—Naval and Climatic.

A certain latitude in selecting such courses of study as they may prefer will be allowed to Officers voluntarily attending the College. Officers and others required to attend by the Regulations will follow such courses of study as may from time to time be prescribed.

The general organization of the College will be as follows:—

A Flag Officer will be President; he will be assisted by a Captain in the Royal Navy in matters affecting discipline, and in the internal arrangements of the College unconnected with study.

A Director of Studies will, under the President, organize and superintend the whole system of instruction, and the various courses of study.

There will further be—

- A Professor of Mathematics.
- A Professor of Physical Science.
- A Professor of Chemistry.
- A Professor of Applied Mechanics.
- A Professor of Fortification.

Such Instructors in Mathematics and the other branches specified as may be necessary to assist the Professors will be added to the Staff. Lecturers will be appointed to deliver courses of Lectures in Naval Architecture, Metallurgy, Civil and Hydraulic Engineering, Maritime Law, Naval History, and Tactics, and Hygiene.

A Naval Officer will conduct instruction in Nautical Astronomy and Surveying, and there will be two Instructors in Steam.

Such provisions will be made for instruction in French and German and in Drawing, as the numbers of Students desirous of following courses in these branches may render necessary.

The following changes are introduced in the Regulations as regards the time of study in the case of Officers who are required to attend the College.

- (a) The time allowed to Acting Sub-Lieutenants to qualify for their Examination in Navigation for Lieutenants will be extended from six weeks to six months.
- (b) Gunnery Lieutenants will be required to pass a term of nine months (from 1st October to 30th June) in the College at Greenwich before commencing their practical course in the 'Excellent' instead of, as at present, a term of seven months after they have completed it.

Officers, on applying to qualify as Gunnery Lieutenants

If they have not already served one year at sea as Lieutenants, will be at once appointed to a sea-going ship, in order to complete the year's service required before they commence their studies.

(c) My Lords propose that successful Candidates for Commissions in the Royal Marine Light Infantry should, before receiving their Commissions, have the advantage of a term of study in the College. They also propose to assign a longer term of study to officers of the Royal Marine Artillery; but the final arrangements with regard to Marine Officers have not yet been concluded.

(d) All acting Second Class Assistant Engineers will in future be sent to Greenwich, after leaving the dockyards, for a period of study before their appointment to sea-going ships.

As regards Officers on half-pay, my Lords are particularly anxious that young Lieutenants should at once, on their promotion to that rank, avail themselves of the advantages of the College before their turn would come for appointment to a ship. The regulations specify allowances which are intended to remove any pecuniary difficulties in attending the College; and special consideration for appointments will be given to Lieutenants who thus occupy in so useful a manner the time necessarily spent on shore.

Arrangements have been made for the admission of Naval Engineer Officers to the College, which will prevent time spent at the College from entailing any pecuniary loss upon them.

The School of Naval Architecture at South Kensington will be absorbed in the Royal Naval College, Greenwich. The regulations for the admission of Engineer Students and of Dockyard Apprentices have been so framed as to provide as nearly as possible the same aggregate time for their instruction as that which is now afforded at South Kensington. Further regulations will be issued by their Lordships in regard to the admission of private Students to the course of study at the College on similar conditions to those now existing at South Kensington.

My Lords have further determined to admit a limited number of Officers of the Mercantile Marine as Students of the College, enjoying the full advantages of the whole course of instruction and tuition by the Educational Staff, while Officers of the Mercantile Marine generally will, on application, be allowed to attend courses of lectures.

The paramount object which my Lords have pursued in the organisation of the College has been to provide the most efficient means for the higher education of Naval Officers of the Service; but my Lords also anticipate great advantages from the results likely to accrue from the connection which will be established through the College between men distinguished in the various departments of mathematical, physical, and chemical science, and those practical problems which so vitally interest the navigator, the naval architect, and the naval engineer.

My Lords expect the College to become, not only an educational establishment affording the means of the highest training in theoretical subjects to Naval Officers of all classes, but also a nucleus of mathematical and mechanical science specially devoted to those branches of scientific investigation which have most interest for the Navy.

15. The new requirements of service for promotion to the rank of Rear-Admiral not to be enforced with regard to Captains now on the Active List, who are at present qualified by service for promotion under the old Regulations.

At the Court at Windsor,

The 18th day of May, 1870.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of May, 1870, in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22d February, 1870, Your Majesty was pleased to sanction and make proposals for the retirement of the Executive and Staff Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down at certain points connected with the Scheme of Retirement then sanctioned, We would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Enquiry in connection with naval matters of importance, we are of opinion, that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-Pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is removed from the Active List on account of age, non-service, or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the

Active List, until he ceases to be in such civil employment that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four vacancies which may be caused by Retirement, or Promotion consequent on Retirement, until the Lists may be reduced to the numbers authorized by Your Majesty's above-named Orders in Council; and we would beg to point out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order of Council of 22nd of February, 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 28th June, 1867, that Staff Commanders having served 20 years in the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the rank of Retired Captain, and that Officers having served 16 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 9th July, 1864, it is laid down that Paymasters who may have completed 20 years' service, including Acting Paymaster's time, and not more than 4 years' time as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February, 1870, it has been provided as to Commanders and Lieutenants placed on the Retired List, that these Officers shall be granted the rank of Retired Captain and Retired Commander only at our discretion,—we are of opinion that it will be for the benefit of your Majesty's Service that similar conditions should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service: We therefore humbly submit that in future, such Promotions on Retirement be made at our discretion. We beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed: And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) ARTHUR BELLA.

PROMOTION OF COMMANDERS AND LIEUTENANTS AND RETIREMENT OF SUB-LIEUTENANTS.

At the Court at Osborne House, Isle of Wight.

the 5th day of February, 1872.

Present:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th December 1871, in the words following, viz:—

Whereas Your Majesty, by Order in Council of 22nd February, 1870, was graciously pleased to establish Regulations for the Promotion and Retirement of Officers of the Royal Navy: And whereas we are of opinion, in view of the small number of promotions that have taken place during the past year, that it is expedient to provide for the immediate advancement of a limited number of the most Commanders and Lieutenants, and also to diminish the restrictions on the promotion of Commanders, Lieutenants, and Sub-Lieutenants, imposed by Your Majesty's aforesaid Order in Council, until such time as the Active List of Captains, Commanders, and Lieutenants shall be reduced to the numbers thereby established: And whereas we are further of opinion that it is expedient to make other amendments in the temporary provisions of the said Order in Council, and also, that it is necessary to establish regulations for the retirement of Sub-Lieutenants:

We would, therefore, most humbly submit to Your Majesty—

1. That we be empowered to promote ten Commanders to the rank of Captain, and ten Lieutenants to the rank of Commander, from this present date.

2. That until the list of Captains is reduced to one hundred and fifty, we be authorized to promote Officers to command issued by retirement, according to the following scale—

(a) One Commander in every vacancy which now exists, or which shall hereafter arise, on the List of Captains, due to the retirement of Admirals.

(b) One Commander in every two vacancies which now exist, or shall hereafter arise, on the List of

Captains, due to the retirement of Vice-Admirals, Rear-Admirals, or Captains.

(c) One Lieutenant in each vacancy arising on the List of Commanders from the above promotions.

3. That we be further authorized, until the List of Commanders is reduced to two hundred, to promote one Lieutenant in every two vacancies now existing, or in future arising from the retirement of Commanders.

4. All vacancies arising from deaths, resignations, &c., to be filled up as they occur.

5. That until the List of Sub-Lieutenants is reduced to two hundred and fifty, we be authorized to confer promotion on any Sub-Lieutenant who is, in our opinion, worthy of advancement, although such promotions may cause the List of Lieutenants to be temporarily in excess of the numbers authorized by Your Majesty's aforesaid Orders in Council.

6. Captains who were promoted to that rank before the 1st April, 1870, and who elected the new regulations for retirement to be allowed, if physically unfit, or if they have not served for seven years, on retirement, an amount of retired pay not less than that to which they would have been entitled to receive under the regulations which were in force prior to the 1st April, 1870.

7. Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.

8. Until the List of Sub-Lieutenants is reduced to two hundred and fifty, any such Officers to be allowed, with their consent and at our discretion, to retire irrespective of age.

9. Retired Pay to be granted as follows:—After three years' seniority, 3*l.* 6*s.* per diem, an additional 6*d.* being given for each complete year beyond three served as Sub-Lieutenant until the maximum is reached, viz., 6*l.* per diem.

10. Officers who, in our opinion, are not deserving of receiving retired pay on the above scale, to be granted such low rate of pay as we may think fit to award them.

11. Service for retired pay to be calculated in accordance with the provisions of Your Majesty's Order in Council of 22nd February, 1870, relating to Flag Officers, Captains, Commanders, and Lieutenants, time during which a Sub-

404 NAVAL RETIREMENTS (1870), AND SUBSEQUENT

Lieutenant may be on half-pay after he has served three years in that rank to reckon in the proportion fixed by the Order in Council.

12. Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their retired pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administering the Act, 34 and 35 Vic., cap. 56.

13. The existing rules as to half-pay to Sub-Lieutenants while on the Active List to remain in force.

We therefore most humbly submit that Your Majesty

will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board, a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th of December, 1871, in the words following, viz:—

"Whereas Your Majesty was, by Your Order in Council of 22nd February, 1870, most graciously pleased to sanction certain alterations in regard to the retirement of Officers in Your Majesty's Royal Marine Forces, whereof the effect is that service will not reckon for retirement until after 20 years of age: And whereas we are of opinion that the Regulations in respect of age should be modified in favour of those Officers who entered the Royal Marine Forces previous to the 1st April, 1870, the day on which, by Your Majesty's Order in Council before mentioned, the said Regulations came into force: And whereas we deem it expedient, with the view of increasing the efficiency of Your Majesty's Royal Marine Forces, to provide, as a temporary measure, for the Retirement upon Annuities of a limited number of Officers whose services are not of sufficient length to bring them within the scale established by Your Majesty's Order in Council aforesaid: We do, therefore, most humbly submit that Your Majesty will be pleased to sanction, with reference to the aforesaid Officers, the following modifications and temporary extension of the aforesaid Order in Council:—

1. That all Officers who entered the Royal Marines before 1st April, 1870, and who obtained their first Commission before attaining 18 years of age, be allowed to

2. That until the Royal Marine Forces shall be reduced to numbers proportionate to the requirements of Your Majesty's service, we be authorized to permit Officers of 12 years' service or upwards to retire permanently, if we see fit, upon Annuities in accordance with the following scale:—

ARTHUR HELPS,

GENERAL ORDER.—N. COAST GUARD.

Admiralty, 10th July, 1871.

My Lords Commissioners of the Admiralty having been informed that a feeling exists among certain Officers of the Coast Guard that, by the Order in Council of the 22nd of February, 1870, they are entitled to the same pay as Officers of corresponding rank in the Royal Navy; the whole question relative to rank, pay, and pension of Officers serving in the Coast Guard has been referred to the Law Officers of the Crown, who have given their opinion as follows:—

- 1st. That by the Coast Guard Act of 1856, Officers employed in the Coast Guard are not entitled to the same rates of pay which are or may be given to Officers of their respective ranks in the Navy.
 - 2nd. That the Coast Guard Act of 1856 does not entitle Officers of the Coast Guard to count service in the Coast Guard towards increase of pay, &c., in the same manner as service in Her Majesty's Ships at sea.
 - 3rd. That the Navigating Officers employed in the Coast Guard are not entitled to the increased pay, &c., given by the Order in Council of the 22nd February, 1870, to Navigating Officers in Her Majesty's Fleet.
 - 4th. That Chief Officers of Coast Guard cruisers are not entitled to receive the minimum pay given to Navigating Lieutenants by Order in Council of the 22nd of February, 1870.
 - 5th. That 2nd Class Chief Officers of the Coast Guard are to be considered of the rating of a distinct class from the rating of First Class Warrant Officer in the Navy, and are not entitled to the increased pay and pension given to the latter by the Order in Council of the 22nd February, 1870.
 - 6th. That the rights of pay and pension of Officers employed in the Coast Guard may be regulated by Orders in Council.
- Their Lordships are pleased to circulate this decision for general information.

By Command of their Lordships,

ROBERT HALL.

To the several District Captains, &c.

NAVAL RETIREMENT PREVIOUS TO 1870.

FLAG OFFICERS.

1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice-Admirals, and 51 Rear-Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150l. each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

1866.

1. Compulsory retirement to be extended to all the Executive Lists.

2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not boasted his flag will be considered eligible for the appointments of Vice- and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 88:—

Admirals of the Fleet and Admirals 21
(But not to be more than three Admirals of the Fleet at one time.)

Vice-Admirals 22
Rear-Admirals 45

Total 88

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay, receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flag, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

COMMANDERS.

1840.

This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10s. 6d. per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 75s. per annum if otherwise entitled thereto.

1851.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1. By selecting 50 Commanders to be Captains, as above specified.

2. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within twenty years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This List was abolished in May, 1863*)

4. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)

5. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

1856.

1. That the List of Captains on the Reserved List, established by Order in Council of 25th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

2. That the List of Retired Captains (established by Order in Council of 10th August, 1840, and increased by Order in Council of 25th June, 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

1860.

V. All Commanders on the Active List who have attained the age of 60, or who may hereafter attain that age, to be placed on a Retired List, with the rank and title of Retired Captain, and to receive Half Pay, according to their length of Sea Service, on the scale hereinafter mentioned.

V. Commanders on the Active List, who have not been employed either afloat, or in the Packet or Revenue Service, in the Coast Guard, or as Mail or Transport Agents, within a period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service,

also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the rank and title of Retired Captain on reaching the age of 60, without further addition to their Retired Pay.

Officers after twenty years' service in these ranks, who are physically incapable of service, to be eligible for retirement, with the rank and title of Retired Captain, in respect of age, at the discretion of the Board of Admiralty.

1864.

1. The Active List of Commanders to be reduced from 450 to 400.

2. The existing system of placing on the Retired List under the conditions specified in the Order in Council of August, 1850, all Commanders who have not served within a period of fifteen years, either afloat or in command of Revenue Vessels, or in the Coast Guard, or as Mail Agents or Transport Officers, to be extended to Commanders who have not been so employed during a period of ten years; and Officers, and Officers of Greenwich Hospital of similar rank to be permitted to assume the rank and title of Retired Captain on reaching the age of 60, or on attaining fifteen years' seniority on the List of Commanders, and to receive on their retirement, pay on the scale provided for in the said Order in Council, with this difference only, that Officers who shall in future retire will be allowed to receive the service in the Coast Guard on shore, or Transport Service on shore, as half the same period served at sea, instead of at third, as at present.

3. The same plan of retirement, with its corresponding benefits of rank and Retired Pay, to be extended to Commanders who may have attained the age of 55, provided they will be willing and desirous to accept the same.

4. A limited number of Commanders who may be attained the age of 45, and who are not desirous of further employment, may be retired on the same condition, at the discretion of the Board of Admiralty. When the Active List of Commanders shall have been reduced to 400, no further retirement of Officers is to place under this clause.

5. Commanders who have already been removed from Active to the Retired List of that rank, under the provisions of the Order in Council of August, 1850, as well as those who may hereafter so retire, to be allowed to assume the rank of Retired Captain, on attaining fifteen years' seniority, without any increase of Half-pay or Widow's Pension beyond that authorized by the said Order in Council.

1866.

Commanders to be retired at the age of 55, or of physically unfit for service, and to be allowed to retire on the same scale as before, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

LIEUTENANTS.

1816.

This List consists of the 100 Senior Lieutenants, who, by age and infirmities, are presumed to be incapable of further service, and who are permitted to retire at a pension of £6. 6d. a day, with the rank of Commander. Their widows receive a pension of 60*l.* per annum.

1830.

By this Order in Council the Board of Admiralty are ordered to confer the rank and title of a Retired Commander on every Lieutenant who has reached, or shall hereafter reach, the situation on the List of Lieutenants which entitles him to receive 7*s.* a day Half-pay. Such Retired Commanders are not to receive any increase to their Half-pay as Lieutenant until they shall have attained the number of Retired Commanders established by the Order in Council of 30th January, 1816. They cannot be employed as Lieutenants, nor in any situation usually held by Lieutenants, and, if holding such, they must resign, if they wish to take advantage of the proposed Regulations.

1851.

The number of Lieutenants on the Active List will be fixed to a number not permanently exceeding 1200, viz.:—
1*st.* By the promotion of 50 Lieutenants by selection, as usual.

2*nd.* By placing on the reserved Half-pay List all Lieutenants who have not served afloat, or in the Packet or Revenue Service, within 20 years, and all such as are physically unable to serve; and by removing from time to time such Officers from the Active to the Reserved Half-pay List, reserving to the Active, in the case of Commanders, all the advantages they are entitled to of raising in pay or rank, or of receiving the Greenwich Out-Pension. (This List was abolished by Order in Council of August, 1860.)

3*rd.* By keeping up the rule of promoting one officer in the vacancies (except in special and individual cases) till the number of Lieutenants on the Active List shall be reduced to 1200.

4*th.* No promotion of Masters to be Lieutenants will hereafter be made by brevet; but whereas in case of war, or of emergency, Her Majesty may be pleased by her Order in Council to call such officers from the Reserved List into active service, Her Majesty has been pleased to approve that such Officers as may be so employed shall be in all respects entitled to the pay and emoluments of their respective ranks on the Active List.

1856.

Further, as regards Lieutenants, this Order in Council orders that the Reserved List, consisting of 50 Commanders (established by Order in Council of 25th June, 1816) be increased to 100; such increase to be effected by selecting from the Active List of Lieutenants a number not exceeding 15 in the present, and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

1860.

Lieutenants on the Active List, who have attained or may hereafter attain the age of 60, to be placed on a Retired List

with the Rank of Retired Commander, and to receive pay according to their Sea Service on the hereinafter-mentioned scale.

Lieutenants on the Active List, who have not been employed, either afloat, in the Coast-Guard, in command of Revenue Vessels, or as Mail or Transport Agents, within a period of 15 years, to be placed on a Retired List, and to receive pay also on the same scale as hereinafter mentioned. These Officers to be permitted to assume the Rank and Title of Retired Commander on attaining the age of 60, but without further addition to their Retired Pay.

Lieutenants who have been promoted to the Reserved List of Commanders, under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of pay on the above scale, according to their length of service.

1864.

1. The Active List of Lieutenants not to exceed 1200, instead of 1200, the number at which it is at present fixed.

2. Lieutenants who have completed fifteen years' Sea Service in that rank, and who have attained the age of 45, to be allowed to retire with the rank of Retired Commander. Such Officers to receive Retired Pay, and their Widows to be allowed Pensions on the scale provided for in the Order in Council of August 1, 1860; with this difference only, that such Officers who shall in future retire, shall reckon their Service on the Coast-Guard on shore, or Transport Service on shore, as half the same period served at sea, instead of one-third, as at present.

3. Lieutenants who are either now on the Reserved or Retired List, or who may be in future Retired under the provisions of the Order in Council of August 1, 1860, and Lieutenants of Greenwich Hospital, to be allowed to assume the rank of Retired Commander on attaining fifteen years' seniority, but without any increase of Half-pay or Widows' Pension beyond that authorised by the Orders in Council under which they were respectively retired.

418 COMPASSIONATE ALLOWANCES TO CHILDREN, &c.

REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Widows of Commission and Warrant Officers of the Royal Navy, and of Commission Officers of Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations:

2. The Pensions authorized by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled to if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Chief Boatwain, Chief Carpenter, or a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon: provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in the Sea Service; but the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having been on the List of Commission Officers, or on the List of Naval Instructors, ten complete years, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer died from the effects of foreign service, then, provided he had been five years on the List,—was in good health when he married,—and it be clearly shown that the disease which occasioned his death resulted from such service alone, did not arise from constitutional predisposition, and was not brought on by any misconduct, or by any circumstances over which the Officer himself had control.

The Widows of Chief Gunners, Chief Boatwains, Chief Carpenters, are only entitled to Pensions in the event of their Husbands having been confirmed in the rank one year; and the Widows of Warrant Officers (Gunners, Boatwains, and Carpenters) are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time included) and provided they shall have been confirmed in the rank of Warrant Officer.

8. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Priest's Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during, or prior to, her Husband's Service in the Navy, and unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the length of time to entitle him to Half-Pay,* but by Order in

Council of the 1st November, 1864, the Widows of Chaplains dying after that date, who shall have completed Two Years' Service on Full Pay, may be granted Pensions, although no portion of such service be subsequent to their marriage, provided they are otherwise qualified, according to the existing regulations governing the grant of Pensions.

9. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their cohabitation, be deemed a sufficient discharge for the payment of their Pensions.

10. In all cases of a Widow re-marrying, or of after the 6th August, 1861, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be resumed, upon proof being adduced to the Admiralty that she was in wealthy circumstances, and is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marrying. Widows who are re-married before the date of these Instructions, and thereby forfeited their Pensions, will not have the same restored to them in the event of their again becoming Widows.

11. Every Officer, whether on Full or Half-Pay, shall—in order to facilitate the decision upon the claim of his Family after his decease, to the benefit of these regulations,—notify his marriage *within six months* of its taking place, to the Admiralty, according to the Form in the Appendix.

12. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place at which the marriage shall have been celebrated,—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form in the Appendix.

13. *Mothers*.—When an Officer is killed in action, or leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who is dependent upon him, the mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death;—if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she give up to other Pension or Allowance, and the Pension given to the Mother on account of her Son will be forfeited on re-marrying, and will not be restored in the event of her again becoming a Widow.

14. *Sisters*.—Sisters of Officers are not eligible to any Allowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of Her Majesty's Treasury. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have fallen in action, or in the case of wounds received in action, within six months after being wounded, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension granted, will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

15. *Children of Officers*.—Allowances on the Compassionate List to the legitimate Children of deceased Officers, may be given in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government; so that their pecuniary circumstances, and those of their Family, are so limited, that they actually require assistance from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims is to be governed by Regulation, in the following order, viz:—

- 1st. Children of Officers killed in action, or drowned.
- 2nd. Children of Officers dying from illness contracted in the Service.
- 3rd. Orphans having neither Father nor Mother.
- 4th. Children of Officers dying on Foreign Service.
- 5th. Children of Officers dying on Full-Pay at Home.
- 6th. Children of Officers dying on Half-Pay.

17. The Allowances granted to the Sons of Officers may be continued until they attain the Age of Eighteen, or otherwise previously provided for;—and those to the Daughters may be continued until they marry, or attain the Age of Twenty-one, whichever shall first happen, and no longer; except in very special cases, in which it shall be

* See Circular No. 47, 1 December, 1864

where that such Sons or Daughters are afflicted with any total or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they were in distressed circumstances.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows; videlicet:—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed, that is to say:—

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belong to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the admiral and commander-in-chief of Our fleet, and also the first captain to any flag officer

appointed to command a fleet of ten ships of the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commission than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect of his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, navigating lieutenant commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship having a commander under the captain the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, staff commanders, and navigating lieutenants, commanding respectively Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding, staff commander commanding, or navigating lieutenant commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commanders of light second class, and field officers of marines (artillery or light infantry) or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains and field officers of marines (artillery or light infantry) or of land forces serving as marines, and doing duty as the rank of major, to share as commanders of sloops. And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board or absent on duty in a prize (who it is Our will and pleasure shall be the only absentees entitled to share) at the time of any such capture, seizure, &c., as aforesaid; and every person present and assisting shall receive shares, or a share according to his class, as set forth in the following scale:—

PROCEEDINGS IN VICE-ADMIRALTY COURTS ABROAD.

Her Majesty has been pleased, by Her Order in Council of the 9th September, 1865, to establish the following Rules touching the practice to be observed in Vice-Admiralty Courts abroad in Proceedings instituted on behalf of Her Majesty's Ships; and the Lords Commissioners of the Admiralty desire to point out to Commanding Officers that the Accountant-General of the Navy will not, after the 1st January, 1866, pay costs incurred in such Courts, Her Majesty's Order in Council of the 22nd October, 1859, being now repealed:—

1. Whenever any proceeding has been instituted in any Vice-Admiralty Court within Her Majesty's dominions, by or on behalf of any of Her Majesty's Ships, for or in respect of any of the matters enumerated in the 12th Section of the Naval Agency and Distribution Act, 1861, the Proctor who

shall have conducted such proceeding on behalf of Her Majesty's Ship shall, on the termination of the suit, submit his Bill of Costs for taxation, and the Court shall thereupon tax the same as between Proctor and Client.

2. If in any such proceeding any proceeds have been realized and are remaining in Court, the Court may order the amount at which the Bill of Costs has been taxed to be paid thereout, and the balance of the proceeds, if any, shall thereupon be paid to the Senior Commissariat Officer in the colony, to the end that the same may forthwith be remitted to this country.

3. If there are not any proceeds, or if the proceeds are insufficient to pay the costs, the Commanding Officer shall either by himself or through the Agent of the Ship make provision for the payment of any sum that may be due in respect of any such proceeding as may have been instituted in the Court.

4. The Registrar of the Vice-Admiralty Court shall, as soon as he has taxed the Bill of Costs, and whether the amount thereof has or has not been paid out of the proceeds, forward the same to the Registrar of the High Court of Admiralty of England, together with a Certificate, signed

by himself, stating the amount of the proceeds, if any, the payments thereout, and the balance which has been paid to the Commissariat Officer.

5. The Agent for the Ship shall, when the proceeds and bounties have been paid to the Naval Prize Account, law with the Registrar of the High Court of Admiralty of England his account for taxation, and may include therein any charges that may have been paid by the Commanding Officer or by himself, and the Registrar may direct the amount at which he shall have taxed the said account to be paid out of the proceeds and bounties standing in the Naval Prize Account to the credit of the Prize.

6. The Registrar of each Vice-Admiralty Court shall, within a month after the termination of each quarter, send to the Registrar of the High Court of Admiralty of England a Return, signed by himself, in the form marked A.1 hereto, of all Prizes in respect of which any proceedings have been taken in such Vice-Admiralty Court during that quarter.

7. These Regulations shall come into operation on the 1st day of January, 1866.

At the Court at Windsor, the 6th day of December, 1865.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is enacted (among other things) that the several shares of any money in the several cases in the said Act enumerated distributable among the officers and crew of any of Her Majesty's ships-of-war shall be paid to the persons entitled thereto, in such manner and subject and according to such restrictions, conditions, and provisions as might from time to time be directed by Order in Council;

And whereas it is by the said Act also enacted that Her Majesty in Council may from time to time make such orders as may seem meet for the better execution of the said Act;

Now, therefore, Her Majesty, by virtue of the powers in this behalf, by the said Act, or otherwise, in Her vested, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

Preliminary.

1. This Order shall commence from and immediately after the thirty-first day of December, one thousand eight hundred and sixty-five.

2. The Order in Council of the first day of November, one thousand eight hundred and sixty-four, under the said Act, is hereby repealed; but not so as to revive any regulation, practice, or other thing thereby abolished, or to affect the past operation of that Order, or the validity of anything done thereunder.

3. Terms used in this Order have the same respective meanings as in the said Act.

Payment of Prize Money into Bank, &c.

4. All money distributable among the officers and crew money of Her Majesty's ships-of-war, within the meaning of the said Act (all which money is comprehended under the term "Prize Money" where hereafter used in this Order), shall be forthwith paid to the account of Her Majesty's Paymaster-General at the Bank of England, on account of Naval Prize, or into the hands of some official accountant (belonging to the Naval, Commissariat, or other department), in order that it may be transferred to the said account.

Gazette Notice.

5. Before any money distributable as aforesaid is actually distributed, notification shall be given by advertisement inserted in the 'London Gazette,' under the direction of the Admiralty.

Prize Remittances.

6. For the purposes of the provisions of this Order respecting Prize Remittances, the proper certifying authority shall be (in the several cases hereinafter mentioned) the following, namely:—

(1.) Where the payee resides in England, Wales, Scotland, the Isle of Man, or the Channel Islands, the minister and churchwardens or elders of the parish or district parish wherein the payee resides.

(2.) Where the payee resides in Ireland, the Inspector of sub-inspector of constabulary for the county, and a churchwarden of the parish wherein the payee resides.

(3.) Where the payee resides at Sierra Leone, the Commissariat officer there.

(4.) Where the payee resides in any other British possession out of the United Kingdom, two of the principal merchants or tradespeople of the place of residence, and the ministers, churchwardens, elders, inspectors of inspectors, commissariat officer, merchants, and tradespeople aforesaid (when respectively the proper certifying authority), are hereby required to furnish, in the several cases in this Order provided for, such certificates as are requisite for the purposes of this Order, in case they respectively are satisfied of the truth of the matter required to be certified.

7. At a place where there is not any resident naval cashier, paymaster, or accountant, payment of a share of any prize money shall be made in the United Kingdom and at Sierra Leone on a remittance bill, and at other places out of the United Kingdom in such manner as the Admiralty from time to time direct.

8. Remittance bills shall be paid in the United Kingdom by any officer of the revenue, and at Sierra Leone by the commissariat officer, who respectively shall comply in all respects with the instructions of the Admiralty printed with the authority for payment addressed to the paying officer.

9. The amounts so paid shall be repaid to the respective departments in the same manner as at present subject to such alterations as the Lords Commissioners of Her Majesty's Treasury and the Admiralty from time to time direct.

10. A remittance bill shall not be paid without a certificate from the proper certifying authority that the holder of the duplicate of the authority issued to the paying officer is the person named as payee in the duplicate.

11. Payment shall only be made to the payee personally, unless on any occasion the payee is unable from illness or bodily infirmity to appear personally, in which case payment may be made to the person producing—

(a) The duplicate authority, together with the payee's order in writing, signed and witnessed, for payment to that person; and—

(b) A certificate from the proper certifying authority of the payee's being unable from illness or bodily infirmity to appear personally; or—

(c) A like certificate from the payee's legally qualified medical attendant;

provided the paying officer does not doubt the authenticity of the order or the truth of the certificate.

12. Payment shall not be made unless the paying officer is satisfied of the title of the claimant.

13. If on any application for payment the paying officer entertains any doubt as to the claimant's title to payment, he shall inquire into the matter, and may require from the claimant such statutory declaration or declarations of the amount alone or with any other person or persons as the paying officer thinks requisite.

14. On paying a prize remittance bill, the paying officer shall take a receipt on the authority for payment addressed to him, and shall certify thereon (where so required) to his being satisfied himself of the title of the claimant.

15. Every certificate under this Order shall state the names in which each person certifying subscribes the same.

Assignments by Warrant Officers.

16. Any assignment made by a warrant officer of any prize money shall be void, unless it truly expresses the contribution money actually paid by the person in whose name it is made to the person making it, and upon any assignment there shall be paid so much money only as appears to have been actually paid as consideration for the same with interest thereon, at five per centum per annum.

Prize Orders of Subordinate Officers, Seamen, and Marines.

17. In this Order the term "subordinate officer, seaman, or marine," includes every person belonging to Her Majesty's naval service, or being a supernumerary attached thereto, except commissioned and warrant officers, and warrant officers of the second class.

18. The share of any subordinate officer, seaman, or marine of any prize money, shall not be paid to any person other than such subordinate officer, seaman, or marine himself, or the person named in an order drawn by him, or hereafter in this Order prescribed; but this restriction shall not apply to any money (being such a share or interest) remaining unpaid on the promotion of a subordinate officer to the rank of commissioned officer, or of a seaman to the rank of warrant officer.

19. Every such order shall be drawn on a printed form used for the purpose by the Accountant General of the Navy.

20. Every such order shall be drawn in favour of some one or other of the following persons, by name:—

The drawer's wife;

" father or mother,

" son or daughter,

" brother or sister,

or being so described in the order.

21. Every such order shall be signed by the drawer in the name of the person or persons who is or are to certify according to the directions subjoined to the form of order.

22. Every such order shall be irrevocable during the life of the payee, unless in special circumstances the Admiralty shall so allow of revocation.

23. Every such order shall be absolutely revoked by the death of the payee, so that no interest therein shall pass to the payee's personal representatives.

24. Nothing in this Order shall affect any order drawn by a subordinate officer, seaman, or marine, before the first day of January, one thousand eight hundred and sixty-five.

25. If at any time a person formerly licensed as an agent for a subordinate officer, seaman, or marine, of any prize money, in respect of advances made by such agent before the first day of January, one thousand eight hundred and sixty-five, the claim shall be duly discharged under the provisions of the Admiralty, as nearly as may be as if the said Act had not been passed.

Unclaimed and Forfeited Shares.

26. If the share of any person of any prize money is not

duly claimed within six years after it is payable to him, it shall be deemed unclaimed and shall be dealt with accordingly.

27. Notwithstanding that any such share has been forwarded or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the naval prize cash balance.

Closing of Accounts.

28. All accounts relative to any prize-money (whether the same became distributable before or after the commencement of this Order) shall be deemed finally closed at the expiration of forty years from the date of distribution.

Persons of Unsound Mind.

29. Where it is made to appear to the satisfaction of the Admiralty that any person entitled to a share of any prize-money is of unsound mind (though not found lunatic by inquisition), the whole or any part of such share may be paid over under the direction of the Admiralty to the wife or relative or other person having the care and maintenance of such person, to be applied for his maintenance and benefit.

Repayment from Greenwich Hospital.

30. All sums from time to time certified by the Accountant-General of the Navy to have been paid to claimants and others proving themselves entitled to shares of any prize-money, which was, before the first day of June, one thousand eight hundred and twenty-nine, paid into Greenwich Hospital, shall from time to time be repaid under the direction of the Admiralty out of the property held for the benefit of Greenwich Hospital.

Annual Account.

31. An account showing all the receipts and expenditure on account of prize-money made up to the thirty-first day of March in each year, and signed by the Accountant-General of the Navy, shall be annually laid before the House of Commons.

And the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty are to give the necessary directions herein as to them may respectively appertain.

We do therefore, in pursuance of the Powers so vested in His Majesty, his Heirs and Successors, by this Our Royal Proclamation, in the Name and on the Behalf of His Majesty, and by and with the Advice of His Majesty's Privy Council, think proper to order and direct, and we do hereby order and direct, That all Gold, Silver, and Jewels, or other Articles received as Treasure by special Order, conveyed in His Majesty's Ships and Vessels in the Care and Charge of the Captain or Officer commanding such Ship or Vessel, shall be liable to the Payment of Freight, whether such Treasure belong to the Crown or to other Parties.

That on the Delivery of any Gold, Silver, or Jewels, or other Articles as aforesaid, laden on board of any of His Majesty's Ships or Vessels, for which Freight may or shall be payable as aforesaid, or according to the Provisions and Directions hereinafter contained, a Receipt or Bill of Lading, or Receipts or Bills of Lading, shall be made and signed by the Captain or Officer commanding such Ship or Vessel, describing the Quantity or Value of such Gold, Silver, Jewels, or other Articles as aforesaid, and the Terms on and Extent to which such Captain or Officer

commanding such Ship or Vessel so receiving the said Gold, Silver, or Jewels, or other Articles, on board his said Ship or Vessel, shall be liable or responsible for the same, in case of Loss or Damage thereof to which by Law he might be liable, in Form or to the Effect following:

(Here insert Bill of Lading in the usual Form.)

And it is hereby stipulated and agreed between the said and the Shipper and Owners and Co-signers of the said that in case of Loss or Damage happening to the said Gold, Silver, Jewels, or other Articles as aforesaid, the Captain or Officer commanding such Ship or Vessel as aforesaid shall not be holden liable or responsible for more than Three-fourths of the Amount of such Loss or Damage.

That the Rates at which Freight shall be paid for Public and for Private Treasure respectively, and in Peace or War respectively, and for different Voyages, shall be as follows, viz.

[For Rates see Proclamation dated 23 April, 1831, page 421.]

That in case of any Difference on any Question arising out of the above Scale, or omitted in the said Scale, the Lords Commissioners of the Admiralty shall have Authority to decide what the Freight shall be under the said Scale, or adhering as nearly as possible, in Cases not specified, to the Spirit and Principles of the said Scale.

When Treasure belonging to the Crown shall be shipped in any of His Majesty's Ships or Vessels with a Commissary or Conductor specially charged with the Care thereof, the Officer commanding such Ship or Vessel shall not be required to give any Receipt, nor to sign any Bill of Lading, and such Officer shall not receive any Freight on account thereof, nor be liable to make good any Loss or Damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freight shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into four Parts, and distributed as follows, subject to the Proviso hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving the Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions, viz.

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other

shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer as the Stationer, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Two Fourths, and Greenwich Hospital One Fourth.

I, A. B., am desirous of partaking in the Advantages with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captain, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commanders, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commanders, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transported into One or more Ships, the Freight shall be divided, pro rata *inter se*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstand-

ing as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1831.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

A PROCLAMATION.

WILLIAM R.

declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination; And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full Force.

GOD SAVE THE KING.

Admiralty, 8th October, 1861.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves Judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1861, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

By Command of their Lordships,
SIRER HENRY.

AND BOYS FOR ADMISSION INTO THE ROYAL
AND MARINES.)

410, p. 132, of *Addenda to Queen's Regulations.*

A Medical Officer is directed to examine any person
admission into the Naval Service, or into the Royal
Navy, he is first to observe whether he has any marks of
or injuries of the bones of the head, whether his
vision or hearing is defective, whether he is deformed,
has an impediment of speech, or weakness of intel-
lect should any of these or other mental or physical
defects exist to such an extent as might, in the opinion of
the examining Officer, disqualify him for the efficient dis-

charge of his duty, he is at once to report him unfit with-
out carrying the examination further.

On the contrary, should the person present no outward
appearance of unfitness, he is to be directed to dress himself
entirely of his clothes; and the Medical Officer is then to
satisfy himself, by a careful inspection of the entire cutaneous
surface, that it is not only in itself free from disease, but that
it shows no evidence or sign of the existence of any internal
complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion
between the different members of the body, that there is no
spinal weakness or deformity, that the limbs are of equal
length, strong, and well developed, that there are no visible
marks of previous fracture, depression, or disease of the

bones of head, nor adherent cicatrices that the eyes be clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to stand, and slowly raise his arms until the hands meet above his head, he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex and extend the fingers and thumb; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five minutes.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on the left, and then on the other, to flex and extend the limbs, &c., to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service.

1. A weak constitution arising from imperfect development or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.

2. Chronic eruptions on the skin or scalp; syphilis, primary or constitutional; gonorrhoea; extensive marks of scald, leeching, or blistering, or of lacerations. Marks of disfigurement are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, divergent hair of the scalp, fracture or depression of the bones of the skull, disordered intellect or imbecility, epilepsy, mania, or impediment of speech.

4. Blindness or defective vision in one or both eyes, fistula lacrimalis, and ptochus.

5. Impaired hearing, or discharge from one or both ears, or thickening of the lining membrane of the external ear.

6. Disease of the bones of the nose or of its cartilages, and of the sinuses.

7. Disease of the throat, palate, or tonsils; unsound teeth, or breath from constitutional causes, unhealthy gums, or a disease of the glands of the throat or neck, external ulcers, whether from scrofulous sores or suicidal wounds.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, flattening of the clavicular regions, phthisis, hæmoptysis, bronchitis, emphysema, chronic cough, or other symptoms of pulmonary evolution into the pulmonary tissues.

9. Swelling or distension of the abdomen, undue obesity, or enlargement of the liver, spleen, or kidneys, or any weakness or distention of the abdominal rings; disease of the urethra, incontinence, of urine or urinary excretion.

10. The non descent of one or both testicles, varicocele, stricture, and sarcoma.

11. Prolapse or fissure of the anus, hæmorrhoids, condylomata, or prostates of the rectum.

12. Paralysis, weakness, impaired motion, or contraction of the upper or lower extremities from whatever cause; or a varicose state of the veins, especially of the leg.

13. Dislocation of the fingers or toes; nodes; flat-footedness.

14. Fracture of the spine, of the bones of the chest or of the pelvis from injury or constitutional defect.

15. A person is to be admitted into Her Majesty's Service unless he is sound of mind, or has been vaccinated, and should the medical officer not be considered satisfactory, he is to be rejected only on condition that he immediately submits to an operation.

16. It is further possible that some of the preceding defects may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as to disqualify a man or boy for the Service.

17. Observing, however, that no person is to be reported as fit, who is likely to continue efficient and serviceable in the Service, and under all the vicissitudes of the Service for a period of not less than ten years.

18. Persons recommended for entry into the Naval Service or into the Army by a Medical Officer, are to be entered on a list in

the Medical Journal of the ship, in the Nosological Returns from Hospitals and Marine Infirmaries, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

CIRCULAR No. 36.—N.

Admiralty, 14th May, 1873.

PHYSICAL EXAMINATION OF OFFICERS, MEN, AND BOYS, FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.

(Test of Eye-sight.)

The Lords Commissioners of the Admiralty having had under their consideration the necessity of issuing more minute instructions with regard to the mode of testing the eyesight in the physical examination of persons for admission into the Naval Service, or into the Royal Marines, than those contained in Art. 410, page 132, of the Admienda to the Queen's Regulations and Admiralty Instructions, are pleased to direct that—

1. When persons are physically examined for admission into the Royal Navy, or Marines, the Medical Officers are to test very carefully the power of vision of each eye, separately, as well as together; and persons failing to read the Test Types in use at the required distances are, before being finally rejected, to be tested with objects familiar to them, and at distances corresponding to the size of the objects; as frequently, particularly in the case of boys, their inability to read the type may be the result of stupidity or ignorance, and not in consequence of any defect of sight.

2. Persons failing to distinguish the colours in the Test Types should be tried with decided and bright colours, for which purpose small red, blue, green, and yellow ribbon flags may be used.

3. In all cases where the sight is found to be defective, the Examining Medical Officers are to record in the Register of the Physical Examination (Form M. 88) how far short of the normal distances given in the Test Types the persons can distinctly see the letters or figures; and when one eye is more defective than the other the limit of good vision in each eye is to be separately noted.

By command of their Lordships,

ROBERT HALL.

To all Commanders-in-Chief, &c.

CIRCULAR No. 30.—N.

Admiralty, 30th April, 1873.

(EXAMINATION OF SECOND CLASS BOYS ON ENTERING THE NAVY.)

My Lords Commissioners of the Admiralty are pleased to issue the following Regulations as to the entry of Second Class Boys for Her Majesty's Navy:—

1. Second Class Boys are only to be finally entered in the United Kingdom and by the following Officers, viz:—

- Commanding Officers of Training Ships.
- Captains of District Ships.
- Commanders of Drill Ships.
- Captains of the Flag Ships at Sheerness and Queens-town.

Commanding Officers of the "Fisgard" at Greenwich.

And of the "Nankin" at Pembroke.

2. Boys may be provisionally entered by Officers of the Coast Guard, the Recruiting Officers of Marines, and any other Officers specially authorised by their Lordships, sending them to the nearest District or Training Ship to be there finally entered.

3. Every Boy previous to being entered must satisfy the Examining Officers—

- I. That he is of robust frame, intelligent, of perfectly sound and healthy constitution, free from any physical defects or malformation, and not subject to fits.
- II. That he is able to read and write. In special cases, however, where the Boy shows general intelligence, and is otherwise qualified, the Examining Officers, if they think fit, may enter him, notwithstanding his knowledge of reading and writing is imperfect.
- III. That he is between the ages of 15 and 16½ years.

IV. That his height and measure are sufficient, the rules being as follows:—

	Height (without shoes).	Measurement round the Chest.
Boys between 15 and 15½ ..	4 ft. 10½ in.	29 in.
" " 15½ .. 16 ..	4 ft. 11½ in.	29½ in.
" " 16 .. 16½ ..	5 ft. 1 in.	30 in.

Boys, however, who do not quite reach the standard of height and measurement may, if in all other respects desirable, be entered, with the special permission of their Lordships.

V. Every Boy must bring with him a Certificate of Birth, or a Declaration made by his Parents or Guardians before a Magistrate to show that he is of the proper age; and also the consent in writing of his Parents or Guardians, or nearest relatives if he be an Orphan, to his entering the Navy and engaging to serve until he shall have completed 10 Years' Continuous Service from the age of 14.

4. Boys are not to be received from Reformatories or Prisons.

The Medical Examination is, in all cases, to be conducted as laid down in Article 410 of the Addenda.

6. If the Examining Officers are of opinion that the Boy is in every respect fit for the Service, the engagement to serve continuously in Her Majesty's Navy until he has completed 10 Years' Service from the age of 14 is to be read and explained to him, and if he voluntarily agrees to its terms, he is then, in the presence of a witness, to sign his engagement, and to be entered on the books of the Ship.

7. The Examining Officers will also fill up the Form and Certificate attached to the Engagement, and will sign the same, and will transmit the document to the Accountant-General of the Navy.

8. Articles 1, 2, 3, and 4 of Chapter IX. of the Queen's Regulations and Articles 93 and 94 of the Addenda are hereby cancelled.

9. The following Regulation is to be substituted for clause 7, Art. 124, Part I. of the Paymasters' Instructions:—

“In ships allowed an Assistant Paymaster or Clerk, but in which for more than 14 days no officer of either class has been borne, and in which neither Assistant Clerk nor Writer is borne in lieu, or is supernumerary, the Paymaster may be allowed (with the sanction of the Captain) the extra pay of his rank, subject to a reduction equal to the amount of extra pay paid under the preceding regulation to any person employed in the ship's office during the same period.

“This allowance may also be paid when the Assistant Paymaster or Clerk has been absent from the ship, on account of duty or sickness, for more than 14 days, but it is not to be paid on account of absence on leave.

“In any ship with complement not exceeding 150 officers and men, the Paymaster may, with the sanction of the Captain, undertake to perform the whole of the duties, without an Assistant Paymaster, and in these cases he may be paid extra pay continuously under the same conditions.”

In order to distribute the office work more equally over the year, the Captains of Her Majesty's ships will cause the periodical Return of Defaulters to be written up week by week from the daily record of offences and punishments (of which no other fair copy should be made). This return is to be completed on the last day of the quarter, and to be immediately transmitted to the Commander-in-Chief, together with the other periodical returns.

the 1st day of March, 1864.

"It shall be lawful for Her Majesty to accept from time to time the offers of any persons who have been, are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of other British Ships not attached to Her Majesty, or of any persons who have been commissioned Officers, Masters, or Engineers in the Indian Naval Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of Reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"The Lord High Admiral, or the Commissioners for managing his office, hereinafter called the Admiralty, may accept as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, regulations, and orders as the Admiralty may, with the sanction of Her Majesty in Council, from time to time make; and such persons so enrolled shall bear such rank and pay as to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for service, or on actual service, be subject to all laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time appoint; and if any such person is killed or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension in respect of his services as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same allowance as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, and she may and Her Majesty thinks fit to discontinue the same.

"All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the sanction of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, so far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that the rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed,

extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

Commanders, Chief Engineers, Lieutenants, Sub-Lieutenants, and Engineers.—Instead of each stripe of half-inch lace round the sleeves of the coats, there is to be a stripe formed of two waved lines of quarter-inch gold braid, intersecting each other, so as to form bands of an inch wide, the blue cloth to show between the curves. The Engineers' Department are to be distinguished by purple velvet stripes, quarter inch wide between the gold braid waved lines round the sleeves of the coat. Engineers who are only entitled to one waved line, the velvet stripe is to be worn below the gold braid on the sleeves of the coat.

Assistant Engineers, one waved stripe of purple velvet, quarter inch wide, round the sleeves of the coat, above the cuff, without any gold braid.

The buttons to be of the Royal Navy pattern, with the letters "R.N.R." in Old English characters surmounted by a crown.

Instead of the anchor on the epaulettes and shoulder straps respectively, there is to be a badge consisting of a silver anchor in the centre, surrounded with the words "Royal Naval Reserve" embroidered in gold.

Instead of the bullion loop on the cocked hats, the loops to be formed of two gold braids, twisted the same as for coat sleeves.

The badge for the caps to consist of a device similar to that on the epaulettes, embroidered on blue cloth and surmounted by a crown.

The plate for the sword-belt to be the same as for Officers of the Royal Navy, substituting the letters "R.N.R." for the anchor in the centre.

Drill.

Lieutenants and Sub-Lieutenants on the Active List of the Royal Naval Reserve will be required to undergo in each year a course of twenty-eight days' drill and gunnery instruction on board one of the District Drill Ships, or if absent from England above a year, and unable to take their drill on board a Drill Ship they may perform it on board one of Her Majesty's ships abroad having a Gunnery Lieutenant.

But on a special report being made to the Lords Commissioners of the Admiralty by the Commanders of such Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with; but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

Messing.

Officers, whilst on drill, will live on shore, and receive the following subsistence allowance, viz.:—

Lieutenants	10s. a-day.
Sub-Lieutenants	7s. a-day.

All Officers called out for service will mess with Officers of their respective ranks in the Royal Navy.

Discipline.

Officers will be subject to naval discipline when attending drill, and when called out for actual service; and will also at any time whilst belonging to the Reserve be liable to see their Comrades for conduct unbecoming the character of Her Majesty's service, at the discretion of the Lords Commissioners of the Admiralty. They are expected to provide themselves with a copy of the Queen's Regulations and Admiralty Instructions.

Service Afloat.

Officers of the Royal Naval Reserve will be called out for actual service by Royal Proclamation; and they will be liable to serve during the continuance of any national emergency, or until they may be regularly discharged by the sanction of the Lords Commissioners of the Admiralty.

Pay and Allowances, and Pensions to Widows.

Officers will, whilst called out for actual service receive the pay of their corresponding ranks in the Royal Navy.

Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst undergoing drill will receive the same pensions and allowances to which Officers in the Navy would be entitled under similar circumstances.

Widows of Officers who, whilst on actual service, may be killed in action, or die from accident resulting from the performance of their duty, will receive the same pensions as the widows of Naval Officers of corresponding rank would be entitled to under similar circumstances.

Repeal.

All Rules, Orders, and Regulations made in pursuance of the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, shall be repealed from the date when these Regulations come into operation; but this repeal shall not affect the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder.

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign-Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred:

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the 'Gazette,' stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may,

at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's license and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King GEORGE IV. and King WILLIAM IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for service rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Foreign Office, May 10th, 1855.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British Subject is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order bestowed by competent authority for acts of bravery in saving human life. An Officer, Soldier, Marine, or sailor must, however, first obtain permission from the Commander-in-Chief, or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, Jan. 1870.

CLARENCE.

THE VICTORIA CROSS.

VICTORIA CR.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some special engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and we graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly, It is ordained, that the distinction should be conferred and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest as a centre, and underneath which an scroll, bearing the inscription, "For Valour."

Secondly, It is ordained that the Cross shall be suspended from the left breast by a blue ribbon for the Navy, and by a red ribbon for the Army.

Thirdly, It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly, It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, such, if he had not received such Cross, would have earned him to it, such further act shall be recorded by a clasp attached to the ribbon by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly, It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the service of the enemy, and shall have then performed some special act of valour, or devotion to their country.

Sixthly, It is ordained, with a view to place all persons in a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly, It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by Us, of such Circumstances has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly, It is ordained, where such act shall not have been performed in sight of a Commanding Officer as

fore said, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly, It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his special distinction.

Tenthly, It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly, It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly, It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly, It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration, and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly, It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly, In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the

same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as

may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign, and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMUE.

THE ALBERT MEDAL.

WARRANT REVOKING a WARRANT dated the 7th March, 1866, instituting A NEW DECORATION to be styled "THE ALBERT MEDAL," and instituting in lieu thereof TWO NEW DECORATIONS, to be styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS," and "THE ALBERT MEDAL OF THE SECOND CLASS."

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS a Warrant was given under our Royal Sign Manual, bearing date the 7th day of March, 1866, in the 29th year of Our reign, intituled "a Warrant instituting a new Decoration, to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say,—

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS, We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss, and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—It is ordained that the distinction shall be styled "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect, in gold, surrounded with a garter in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

Secondly.—It is ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received the medal, again performs an act which, if he had not received such medal, would have entitled him to it,

such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended, and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this Instrument have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited, and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be erased as aforesaid under this regulation. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

And WHEREAS it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are of a character sufficiently daring and heroic to bring them under Our Warrant aforesaid, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas, We, taking into Our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased in place of the Decoration created by Our Warrant of the 7th March, 1866, to institute, and create two Decorations, which We are desirous shall be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—It is ordained, that one of the said two Decorations shall be styled "The Albert Medal of the First Class," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect in gold, surrounded with a garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue ribbon of an inch and three-eighths in width, with two white longitudinal stripes.

Secondly.—It is ordained that the other of the two distinctions shall be styled "The Albert Medal of the Second Class," and shall consist of the like shaped enamelled badge, save and except in this class it shall be entirely worked in bronze instead of gold and bronze, and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

It is ordained that each Medal shall be suspended from the left breast.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the 'London Gazette,' and a copy thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended; and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of 24th March, 1866, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic conduct, and that the Albert Medal of the Second Class shall be confined to cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve the Albert Medal of the First Class.

Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

Given at Our Court at St. James's, this twelfth day of April, one thousand eight hundred and sixty-seven, in the thirtieth year of Our reign.

By Her Majesty's command,

S. H. WALPOLE.

HUMANE SOCIETY'S MEDALS.

CIRCULAR No. 11.—C.

Admiralty, 19th March, 1869.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future,—in order to admit of their being worn,—and for granting Clasp and Bars for subsequent acts of bravery, in cases where a Medal

has been already granted,—my Lords Commissioners of the Admiralty are hereby pleased to notify to the Officers and Men of Her Majesty's Navy and Marines their permission to Officers and Men to wear such Medals and Clasp when awarded by the Humane Society.

By Command of their Lordships,

W. G. ESMAYLE.

To all Commanders-in-Chief, &c.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

1. Colonies which offer Privileges.

The only Colonies which now offer land privileges to Naval and Military Officers are British Columbia, Natal, and British Honduras.

2. Officers entitled to Privileges.

The Officers to whom such privileges are offered are (a) Naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; (b) Military Officers of all grades not lower than that of Subalterns of seven years' standing; (c) Regimental Staff Officers; and (d) Medical Officers of both Services, of not less than five years' standing.

3. Officers not entitled to Privileges.

The Officers not entitled to land privileges are Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

4. Nature and Extent of Privileges.

In British Columbia a certain quantity of land is granted in lieu of remission of purchase money. In the above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer, as shown in the following scales:—

	Acres.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 " " "	500
Field Officers of 15 " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

The same scale applies to the other Colonies.

Although this scale refers only to Military Officers, it applies also to Naval Officers, who will receive allowances corresponding with their relative rank to Officers in the Army, as prescribed in Her Majesty's Order in Council of 11th June, 1863.

5. Memorandum of Rank and Service.

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a naval man, from the Lords Commissioners of the Admiralty, and if a military man, from the Office of the General Commanding-in-Chief, specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. Location Ticket.

As the sole object of the Regulations is to encourage the *bona fide* settlement of naval and military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. Crown Grant.

At the expiration of two years from the date of each Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for his Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bona fide* settler in the Colony, and has not only continuously resided there since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereof of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

(N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

In Natal, that the Officer shall reside on the land for not less than six months in each of the two years since he has received his Location Ticket; that he shall build a house and farm-buildings to the satisfaction of the Surveyor-General, and cultivate or stock his land in such a manner as may be certified by the Surveyor-General to show a *bona fide* intention to continue in the beneficial occupation of the land, or to have imparted to it an enhanced saleable value.

In Western Australia, that the Officer shall reside on the land for at least half the two years he is required to reside in

the Colony, and has made substantial and useful improvements to the extent of 100, an acre. Such residence and improvements to be certified by the resident magistrate of the district.)

8. *Lapse of Claim of Crown Grant not applied for in time.*

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelvemonth from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. *Land not transferable until Grant issued.*

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. *Provision in case of Death.*

But if an Officer has obtained a Memorandum of Rank

and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. *Permanence of the Regulations cannot be guaranteed.*

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.

The EDITOR of the Navy List will be glad to receive any communications in reference to errors in the List, addressed to him at the ADMIRALTY, WHITEHALL, LONDON.

** * Communications for the Editor of the Navy List, addressed to the Publisher from abroad, should be post-paid, in order to ensure attention, but it is more convenient to address to the Editor direct, as above, upon such subjects.*

The NAVY LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.

By Command of their Lordships,

VERNON LUSHINGTON.
